A-1 Agricultural District

§ ZS 1-201

<https://ecode360.com/14019225>

Purpose and intent. This district is intended to preserve, encourage and protect the County's farms and forestry operations and their economic productivity and to ensure that agricultural and forestry enterprises will continue to have the necessary flexibility to adjust their production as economic conditions change. Furthermore, it is the intent that in this district there shall be no basis, under this Title, for recourse against the effects of any normal farming or forestry operation as permitted in this district, including but not limited to noise, odor, vibration, fumes, dust or glare. This district is also intended to protect the land base resources for the County's agricultural and forestry industries from the disruptive effects of major subdivision or nonagricultural commercialization.

Permitted Principal Uses and Structures:
