

**2016 SEASON**

**INDIVIDUAL/RESIDENCE  
REQUEST FOR MOSQUITO CONTROL SERVICES**

I hereby request mosquito control services during 2016 under the Integrated Pest Management Program sponsored by the State of Maryland and the County Commissioners of Worcester County Maryland

I understand and agree to the following:

1. I will have my 911 address visible from the street at either the driveway entry, on the house or on a street level mailbox for driver identification.
2. I understand that this request for spraying and the payment of \$65.00 **MUST** be received by the County by **May 1, 2016**. Please submit to:

**WORCESTER COUNTY DPW - MOSQUITO CONTROL  
6205 TIMMONS ROAD  
SNOW HILL, MARYLAND 21863**

3. I understand that the Integrated Pest Management Program provides services only on an as needed basis as determined by the Maryland Department of Agriculture through landing rate counts, weather conditions and label usage.
4. I will cooperate by completing the attached map showing (1) Community Code & Name – see listing, 2) any areas to be avoided (septic system, fish ponds, low lying areas, etc.) 3) the access to property (driveways) and any structures (house, outbuildings, pool, etc.) the driver needs to be aware of.
5. I will request a form from the driver or personnel of the mosquito control program at 410-632-3767, to submit, in writing, any changes in the landscaping terrain, improvements, treatment route or the like to my property. I will use my best efforts to keep designated treatment areas and driveways free and clear of items that might impede or affect the drivers operation.
6. The State of Maryland and County Commissioners of Worcester County Maryland, and their personnel shall not be liable for any property damage or personal injury except by virtue of gross negligence or willful conduct.

## 2016 SPRAYING SEASON

### BUSINESS/100% PAYOR - REQUEST FOR SPRAYING

The Maryland Department of Agriculture, in cooperation with Worcester County, will again offer mosquito control service during 2016. Please complete this form and return it to the above address. Due to the Integrated Pest Management (IPM) program guidelines, spraying will be done on an as needed basis as determined by the Maryland Department of Agriculture mosquito control personnel.

In order for us to better serve you, and due to the possible changing of drivers from year to year, we are requesting a layout of your spray area and what depressions hold water.
