Addendum # 1 Berlin HOCC Bulkhead Repair Design & Technical Services

Date of Addendum: 5/28/24

NOTICE TO ALL BIDDERS AND PLANHOLDERS

The Proposal Documents for the above-referenced Project are modified as set forth in this Addendum. The original Proposal Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Proposal Documents. Vendors will take this Addendum into consideration when preparing and submitting a Proposal and shall acknowledge receipt of this Addendum in the space provided in the Proposal Documents.

PROPOSAL SUBMITTAL DEADLINE

The Proposal submittal time has not been changed.

1.0 – QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the Proposal Documents.

Item	Questions and Answers
1.1	<p>Q. Regarding the Geotechnical Soils Investigation, would the County accept Cone Penetration Testing (CPT) in lieu of the traditional borings mentioned in the RFP Scope of Services? The CPT method is an in-situ test that provides detailed soil information with improved accuracy.</p> <p>A. Yes, this is acceptable.</p>
1.2	<p>Q. Since the project requires only limited Topographic and Location Survey, would the County accept a licensed professional land surveyor who does not have a Maryland license, provided that the survey is performed in Maryland State Plane and all stipulated requirements are met, as a cost savings measure?</p> <p>A. No, the surveyor will need to be licensed in the State of Maryland.</p>
