GENERAL INFORMATION

- Any dwelling unit, or portion thereof, offered as a short-term rental shall be limited to one (1) rental contract per overnight period, regardless of the number of sleeping rooms available.
- Occupancy of the dwelling unit and/or bedrooms available for rent shall be determined in accordance with the Worcester County Zoning Code definition of a "bedroom" and the calculation provided in §ZS 1-351 (Short-Term Rentals). **A formal determination of the maximum permitted occupancy shall be made by the Department and reflected on the rental license issued.** All rental or lease agreements must reflect this maximum occupancy.

- The property owner shall maintain a record of all lodgers including names, mailing addresses, phone numbers, email addresses (if available), and dates of lodging. These records must be provided to the County upon request.
- The hosting of functions or events involving individuals other than the authorized lodger(s) is strictly prohibited, regardless of whether compensation or barter is exchanged.
- No modifications that alter the function, appearance, or principal design of the structure as a single-family dwelling are permitted without proper approvals and permits.
